Kari Samson in 2024

A strategic Keynote Speaker and best-selling author, Kari Samson captivates and empowers audiences with her **Living Prevention, NOT Prescription message**.

Founded on Lifestyle Prescription Medicine, Kari's disruptive presentations are seen on NBC, Amazon Fire TV, Roku, and more. Succinct, concise, timely, and empowering, Kari 'pays it forward' by electrifying audiences with her miracle story as a three-decade terminal liver cancer survivor,

This multi-talented visionary CEO is business savvy, intuitive, and an award-winning powerhouse in sales and marketing. Using her business acumen to solve the prescription paradox problem,

Living Prevention as a lifestyle answers the \$100 billion spent annually in the U.S. on alternative medicine.

People want results not found in Western medicine or pharmaceuticals. Kari is committed to empowering audiences with the escape route from sick care to living optimally. As a thought-provoking keynote presenter, Kari resonates with audiences as refreshing, relevant, and powerful.
