# Kari E. Samson in 2025

A strategic Keynote Speaker and an Amazon best-selling author, Kari Samson captivates and empowers audiences with her **Living Prevention, NOT Prescription message**.

Lifestyle Prescription Medicine is Kari's disruptive presentation. As seen on NBC, Amazon Fire TV, Roku, and more, Kari is succinct, concise, timely, and empowering. Her 'pay it forward' message electrifies audiences as a miracle three-decade terminal liver cancer survivor.

This multi-talented visionary is also an award-winning powerhouse in sales and marketing whose business acumen is now being used to solve the prescription-paradox plague.

**Living Prevention as a message provides solutions to** the \$100 billion is spent annually in the U.S. for alternative medicine because people want results they're not finding in the medical matrix of Western medicine and pharmaceuticals.

Kari empowers audiences with the way to escape "sick care" and live optimally. Her thought-provoking keynote presentation resonates as refreshing, relevant, and right on time.
